

IT'S BEEN SAID ...

“What is the essence of life? To serve others and to do good.” — Aristotle

I invite our parents and community members to get involved in our schools where you can truly make a difference in a child's life. There are many volunteer opportunities for you to explore and find the one that fits you best.

I guarantee it will be an experience that will change your life ... and someone else's too. I look forward to welcoming you to our schools!
