

ABOVE AND BEYOND

EHS Staff Member: _____

Date: _____

What did this person do to make a positive impact on you?

Your name: _____

WHAT IS ABOVE AND BEYOND?

The **Above and Beyond** recognition program is designed to acknowledge the dedication, talent, and work ethic of the Essex High School Staff. Our staff members deliver dynamic instruction, provide counseling services, prepare delicious meals, bandage wounds, and provide a safe and orderly environment for our students. There is no way to count every time our staff members make a positive impact on a student's life by going the extra mile, but if you are impressed their efforts please document it on an **Above and Beyond Card**.

HOW CAN I PARTICIPATE?

We need teachers, students, parents, and community members to come to the main office and nominate our staff members. Our staff members do not work to earn accolades and recognition, but we want to show them that we appreciate everything they do. So fill out an **Above and Beyond** nomination card for a staff member and let them know how much you appreciate their work. We will formally recognize an **Above and Beyond** winner each month with a prize.

Thank you,

F. Darnell Carter

F. Darnell Carter, Principal
